5 tips to continue your mission

Translate your skills.

Use our Military Skills Translator to see where you fit at Boeing.

Adapt your resume.

Customize it for each job by using civilian terms and listing specific military platforms, technical systems, software and equipment.

Highlight leadership.

Include any leadership or management experience. Be sure to quantify your efforts with outcomes or results.

Create a profile.

Create a profile and sign up to receive email notifications when positions open that match your preferences.

Join our Talent Network.

If we find a job match, a veteran recruiter will contact you.
